ABOUT EMLF

The Energy & Mineral Law Foundation is a national nonprofit educational organization that fosters the study of the laws and regulations related to natural resource development and energy use. The Foundation is an Accredited Provider of Mandatory Continuing Legal Education programs, AAPL, and other professional recertification credits.

Since its inception in 1980, the Energy & Mineral Law Foundation has held an Annual Institute each year, as well as several special institutes, that bring together energy practitioners from all over the country. For our constituents, our programs are a must attend, a staple of their annual CLE schedule, and also provide an unparalleled opportunity for networking.

ABOUT THE FALL SYMPOSIUM

CENTRAL BANK
CONVENTION CENTER
LEXINGTON, KY
OCTOBER 15-17, 2024

This is EMLF's twentieth year as the sole sponsor of the fall energy law conference begun by the University of Kentucky in 1976. EMLF expects to welcome approximately 150 guests to Lexington for educational programming, networking, and enjoying Kentucky's fall traditions. Typically just over half of attendees are from law firms, and the rest are from energy companies, law schools, government agencies, and non-profits in the energy sector.
